

Company

Committed to delivering innovation, Elire collaborates with its clients to deliver consulting and managed services for PeopleSoft clients.

[Company](#) // [Partnering for Success](#) // [Meet the Executive Team](#)

Created from the merging of several top software consulting firms, Elire is your single-source software solution. Our seasoned team of consultants has decades of specialized experience with highly successful companies such as PeopleSoft, Oracle, Accenture, Cap Gemini, and IBM. Over seventy clients in the Public and Fortune 500 Financial, Services and Utilities Sectors have benefited from Elire's hands-on guidance. And so can yours.

We help you achieve success by efficiently implementing, integrating, and upgrading your software investment. Plus, we provide strategic guidance and support to help your company streamline foundational business processes. As a certified PeopleSoft service provider, we employ consultants with world-class skills and experience who can help you navigate the path to Fusion.

As a leader in Treasury Services, Implementation Services and Technology Services. Elire always has the best solutions and best consultants for your particular needs.
