

**Elire Strategic ERP Services:
PeopleSoft 9.2 Upgrades**

Questions to Consider:

- Do leaders in your organization understand and agree on the objectives of the project?
- Are you taking full advantage of the functionality of your existing solution?
- Are your current business practices following leading industry practices?
- Are you looking for ways to reduce your total cost of ownership?
- Are you challenged with costly and invasive customizations?
- Are you ready for the transition to Oracle's Continuous Delivery strategy?

Analyst firm Gartner estimates that **55% to 75%** of all ERP projects fail to meet their objectives

PeopleSoft 9.2 is a game changing release providing innovative features across entire product suites and offering fundamental improvements

This is your **last chance** to prepare for Oracle's Continuous Delivery Model and PeopleSoft Update Manager (PUM)
Do you have the right partner?
