

Elire Day Assessment

Overwhelmed and unsure of where to start?

Let Elire be your Trusted Advisor. Elire will use our deep PeopleSoft and Oracle Cloud expertise to help you make one of the most difficult decisions your company is going to face over the next few years - What should the future of your existing PeopleSoft investment look like, and should you consider migrating to Oracle Cloud? Elire will use our knowledge, methodologies, and tools to help you sift through all the confusion to determine your organization's best path forward.

Elire's 1/2 Day Assessment includes:

- ✓ An Elire Sponsored Lunch for all Participants
- ✓ An Overview of Industry Trends and Emerging Technologies to consider including Fluid, Kibana, Automation Mobile Usage, PTF, PSFT on OCI and migration to Oracle Cloud
- ✓ Breakout meetings for your Finance and HR Environments, or Business Process Groups for Single Environments
- ✓ An Overview of findings and next step recommendations with a high-level estimate of work

Why Elire?

Elire is an industry-leading Oracle Partner with 15 Years of Implementation, Upgrade, and Optimization Experience. Elire Experts will assist your team with:

- ✓ Creation of a decision point guide to include in an internal business case to derive TCO
- ✓ Determination of scope for system migration
- ✓ Integration of networks (on-premise with cloud)
- ✓ Confirmation and implementation of security protocols (VPN, tunnel setup, and certificates)
- ✓ Implementation and verification of integrations with 3rd party systems (on-premise and vendor sites)
- ✓ PeopleSoft to Cloud Migration Expertise - Including Data Migration and Reporting Accelerators
- ✓ Training for system administrators and how to administer cloud architecture systems

Leverage Elire's PeopleSoft and Oracle Cloud Expertise to evaluate the current state of your PeopleSoft Investment and gain actionable insight into next steps.
